PORCELAIN & POWDER COATING NOTES

WE ARE NOT RESPONSIBLE FOR VARIATION IN COLOR SHADES, SINCE VARIATION IN COLOR AND SHADES OF COLOR ARE INHERENT IN ALL PORCELAIN COLORS.

Color illustrations and samples are offered as examples and are not guaranteed to match color, shade, or finish they represent. When ordering a porcelain fireplace with porcelain pipe, it is very important to have the exact ceiling height. To insure the best possible color match, all components must be processed at the same time. We cannot guarantee color match for anything ordered at a different time.

Malm may provide certain gas models in powdered coated enamel. All color samples printed, or on computer displays may vary from the color shade they represent. As with porcelain all components must be processed at the same time. We cannot guarantee color match for anything ordered at a different time.

Installation instructions are available on our website
